

ULTRAVIOLET

ABOUT ULTRAVIOLET

2016 marks the seventh vintage of Ultraviolet Cabernet Sauvignon, by winemaker Samantha Sheehan of POE and Mommenpop.

Samantha's Pinot Noirs and Chardonnays have always been inspired by the wines of France, thus her California Cabernet project deserves a fitting title.

Ultraviolet is an homage to the California climate where Sam grew up, and a pure expression of fruit ripened under the California sun.

WINEMAKING

Vintage: 2016

Varieties: 95% cabernet sauvignon, 5% cabernet franc

Aging: 10 months (50% new French oak, 50% neutral French oak)

TASTING NOTES

Ripe notes of blueberry compote, plums, fresh violet petals and currant, a round mouthfeel with hints of blackberry bramble, black pepper and Bordeaux-like earthiness, with bright acidity and velvety, persistent tannin.
